

"I knew it could be all over one day..."

...until I used the  
Aphex Dominator."

"As a musician, you've got to take care of your ears, which is why I always insist on guaranteed protection for our in-ear monitor systems - for myself and my band."

The Dominator allows the audio to hit an exact maximum point above which the level does not go any higher. Other devices may effectively limit the signal, but the resulting sound may not be a faithful reproduction of the original. If you're looking for complete protection, as well as true fidelity, the Aphex Dominator is the only choice for ear monitors. Don't gamble with your ears- they're your most precious instruments.
