

"I was wary of putting a speaker in my ear..."

...until I used the  
Aphex Dominator."

**A**lthough I was glad to get rid of stage wedges, I was apprehensive about switching to in-ear monitoring—I was wary of putting a miniature speaker in my ear. The Dominator is the only brickwall limiter that will give you the absolute peak protection you need while maintaining the fidelity you demand. Don't gamble with your ears—they're your most precious instruments.
